OBJECTIVE

A highly motivated and innovative Computer Engineering graduate with a passion for programming, technology, and model aerodynamics. Seeking to leverage my skills in computer programming, aeromodelling, and problem-solving abilities to make a meaningful impact in a forward-thinking organization.

EDUCATION

Olabisi Onabanjo University (OOU)

Bachelor of Science in Computer Engineering

Graduated: January 31st, 2025
(Admission: October 2019)

Molipa High School
Secondary Education (Senior and Junior Secondary School)
Graduated: 2017
Duration: 2012 - 2017

EXPERIENCE & ACHIEVEMENTS

37th OOU Student Union Government (SUG) Assistant General Secretary
Olabisi Onabanjo University, Ago Iwoye
January 2024 – Present

- Elected as the 37th Assistant General Secretary (AGS) of the Student Union Government.

- Successfully organized student welfare

programs and represented the students' interests within the university administration.

Headboy, Senior Secondary School
Molipa High School, Senior Secondary School
2017

- Led the entire senior secondary student body, ensuring smooth administration and effective communication between students and staff.

Labour Prefect, Junior Secondary School
Molipa High School, Junior Secondary School
2014

- Oversaw cleanliness and discipline

within the junior section, fostering a well-organized school environment.

NOTABLE COMPETITIONS & AWARDS

- **1st Runner-Up** (Verbal Competition) – Elite Teen Magazine Inter-State Competition, 2017

- **3rd Runner-Up** (Current Affairs) – Elite Teen Magazine Inter-State Competition, 2017

- **3rd Place** – JDPC Debate Competition, 2017

PROJECTS & ACHIEVEMENTS

- **Model Aircraft**

Built a fully functional model aircraft from scratch, showcasing practical skills in aeromodelling and aviation.
Location: Ibogun Campus, 2021

- **Drone Flying**

Successfully flew a drone on campus, demonstrating skills in remote-controlled technology and drone navigation.
Location: Olabisi Onabanjo University, Ago Iwoye, 2023

- **Lookman World Blog**

Developed and launched a personal blogging website, "Lookman World," in 2018, focusing on technology, programming, and general interest topics.

SKILLS

- **Programming Languages:** Python, Java, C++

- **Technologies:** Web Development, Software Development, Model Aircraft Building, Drone Flying

- **Soft Skills:** Leadership, Communication, Critical Thinking, Team Collaboration

- **Hobbies:** Watching Football, Building Model Airplanes, Aeromodelling, Programming

CAREER OBJECTIVE

A Computer Programmer with expertise in various programming languages, a passion for building technological models, and a proven track record in leadership and innovation. Looking to apply my skills to develop cutting-edge solutions in a progressive tech environment.
